(Fall 2013 - Present)

JUNIOR/COMMUNITY COLLEGE TRANSFER COURSE WORK

Transfer credit from a junior or community college will be applied toward no more than 50% of the semester hours required (64 hours maximum) to complete a USA degree.

GRADE EXCLUSION

The symbol "GE" under the column labeled RPT on the transcript indicates that a grade has been excluded based on either Academic Bankruptcy or Grade Replacement.

Academic Bankruptcy: Undergraduate students readmitted after an absence of one or more calendar years may choose to count all or none of their USA credits toward completion of degree requirements and the computation of their GPA. If approved, the bankrupted coursework is no longer used in the computation of the GPA; however, all coursework remains on the student's academic record. Academic Bankruptcy can only be declared once and applied only to courses completed at USA. In determining academic honors at USA, only the course work taken after academic bankruptcy has been declared counts in the GPA calculation.

Grade Replacement: Undergraduate students can repeat a course and have an earlier grade excluded from the calculation of the USA GPA. A maximum of three course grades can be replaced. All attempts for each course are recorded on the transcript including those not used in calculating the GPA. Only courses taken at USA are eligible for Grade Replacement. Grade replacement does not change a student's past academic standing.

REPEAT COURSES

All repeated courses are included in the computation of the GPA unless the student elects grade replacement option. Credit is awarded only once for repeated courses. Repeated course symbols: RI = the repeated course is included in the GPA, and credit is granted; RA = the repeated course is included in the GPA, but no credit is granted. "RA/RI" will appear under the column labeled RPT.

ACADEMIC STATUS

Clear/Regular: Student is maintaining satisfactory academic performance (2.00 GPA or better for undergraduates and 3.00 GPA or better for graduates).

Probation: Student's overall USA academic average is below the minimum requirement (less than 2.00 GPA for undergraduate and less than 3.00 GPA for graduate).

Suspension and Dismissal: Student has been dropped from the University due to academic deficiencies when suspended or dismissed. Effective Fall 1998, the suspension period is one *regular* term. Dismissal is permanent, but a student may be considered for readmission after one *calendar* year with Dean's Office approval.

Non-Degree: Student is not degree seeking.

Undetermined: Status when previous term academic work was in progress (eliminated after Summer 2003)

GRADUATION WITH HONORS for Undergraduates

Students who have attempted at least 60 GPA hours in residence and have a GPA of 3.50 or better are graduated with distinction. Transfer credit hours are not included in the determination of academic honors. Cum Laude 3.50 - 3.69; Magna Cum Laude 3.70 - 3.89; Summa Cum Laude 3.90 - 4.00.

Completion of the University Honors Program and of the Departmental Honors Program is noted on the transcript.
